SPECIAL PRESENTATION OF "THE CAST" EVENING WORSHIP SERVICE FEBRUARY 11, 2007

"Hope & Faith" is the 2007 theme for The Cast, the Christian Drama Team from Williams Baptist College. The team, composed of seven students, is touring through the spring semester, performing a series of dramatic sketches which are centered around the hope and faith found in Christ.

"We want to send a message, to everyone who sees The Cast, that there is hope in the Lord which you cannot find anywhere else," says the directors, Melinda Williams and Brett Cooper, who have led The Cast since its formation in 1998. "The sketches that we are presenting this year proclaim God's hope for us all, and they also encourage us to continually build our faith."

These students audition at the start of each school year for the chance to perform with The Cast. The group spends the fall semester of each year preparing its material, and then tours in the spring semester. Sketches in their programs range from the humorous to more serious dramas.

The plan is to feed this group in our Fellowship Hall @ 5:00 pm. The Youth are invited to come and eat as well so The Cast can meet them and have fellowship with them. A love offering will be taken during the evening service to help offset their travel expenses.
